Motor Speed Limit in Lalbagh & Cubbon park.

General and Revenue Secretariat | Legis File No. 53 of 193 G | [App. F. III–2

Serial No. 1

Letter no 1786 of 18.3.35 from the Supt. Govt Gardens requesting that the Speed limit of motor cars in the Cubbon park and Lalbagh be limited to 10 miles per hour and solicits early orders in the matter.

(1) It is seen from the correspondence that the speed limit has been fixed at 8 miles an hour by the Dist Mgte in the Notifn dated 28.1.25, but the speed has however been limited to 10 miles an hour as per boards put up at the entrances of these places. Why the speed on boards was fixed at 10 miles in contravention of the Dt Mgte notfn is not known.

(2) The present proposal of the Supt Govt Gardens is to limit the Speed of cars to 10 miles an hour and to enforce the same police constables as may be deputed. The suggestion of the I.G.P is that as only a few cars can travel at so low a speed as 10 miles an hour, the speed be raised to 20 miles

(3) In view of the above facts the speed may perhaps limit in the 2 places be limited to 15 miles an hour and the I.G.P be requested to depute constables to regulate ~~enforce the regulation of traffic~~ Speed in the above places and the Garden deptt to bear the cost of the constables

(5) The I.G. of Police says that very few cars can travel at 10 miles an hour & that therefore it is not desirable to have a rule prescribing that as the rate at which cars can go in the Cubbon Park & Lalbagh. In a notn of the Dt superintendent made in 1925 the rate fixed is only 8 miles per hour for these areas. But it is obvious that this notification is practically a dead letter. It is certainly no use of having an impossible rule, which is difficult to be enforced. I think the Dy Commr may in the first place be consulted regarding the speed & then orders issued for issue of a proper notifn under the Rules.

CHIEF SECRETARY'S
18 MAR 1935

Subject:-

Regulation of the Speed of Motor Cars driving in the LalBagh and Cubbon Park.

Sir,

In submitting herewith for information and ready reference a copy of letter No.Pc 525 dated 28th January 1925 from the District Magistrate Bangalore District, in the matter of regulating the speed of motor cars driven in LalBagh and Cubbon Park, I have the honor to state that in spite of putting up Notice Boards at every entrance, the cars are found driven at a very high speed. The Inspector General of Police was addressed in the matter of deputing the constables to control the speed and he replied (vide copy enclosed for information) to say that that the speed limit in Cubbon Park should be raised to 20 miles in view of the fact th only a few cars can travel at 10 miles and it is difficult to enforce attention to a notice that it is obviously impossible or inconvenient to follow.

2. As there will be a lot of pedestrians at all times in Cubbon Park and LalBagh accidents might occur if the cars are driven at such high speeds and further there will be much wear and tear of the roads and lot of dust is deposited on the trees. In these circumstances, I consider that the speed limit of the cars should be limited to 10 miles and control by the Police. I solicit early orders of Government in the matter.

I have the honor to be
Sir
Your most obedient servant,

Dear Sir,

I very much regret to inform you that the motor cars in Cubbon park are driven at a very high speed and as a result of which a lot of dust is deposited on the plants thereby giving a very bad appearance. Boards are also put up at all entrances of the park limiting the speed to 10 miles per hour but this is not being followe I shall be much obliged if you will kindly depute the me concerned to see to it and control the speed in the park area and prevent the nuisance.

Thanking you in anticipation,

Yours Sincerely,
